SUIT FOR DIVORCE
Fernleaf Parties Appeal to Court For Settlement of Troubles

Lucy N. Scott has filed suit for divorce and alimony against her husband, Robert Scott.
The parties were married in Brown county, O., December 23d, 1878, and came to Mason county in 1888 and have lived at Fernleaf.
They have raised three children, their ages running from six to twenty-five years old.
By industry and economy they have bought and paid for a handsome farm which is well stocked.
On motion of Mrs. Scott her husband was enjoined and restrained by the Court from disposing of his estate and a general attachment was issued.
In September, 1904, Mrs. Scott filed a similar suit, but it was compromised without going to trial and judgment.
The defendant is a highly respected citizen and a good farmer.
This domestic trouble will be regretted by all who are acquainted with the interested parties, and it is hoped the matter may be again amicably adjusted.

Mr. Charles Brookbank and Dr. I. L. Perl of Cincinnati are the pleasant guests of the Misses Brodt of Bernard.

A CARD OF THANKS.
To the noble firemen and citizens who so promptly and kindly came to the rescue of my residence Thursday night, I extend my sincere thanks. Yours truly, J. J. Wood.

FIRST BAPTIST CHURCH.
The special series of meetings will be closed with tomorrow. It is hoped that the interest awakened may be kept up and even intensified in the regular work. Pastor Chadwick will preach at both hours, and the other usual meetings will be held. Everybody welcome.

LIVELY CAUCUS
Members of Council Settle on New City Officers Yesterday

Talking about your Music Hall Convention, it wasn't a circumstance in comparison to the assemblage gathered in County Judge C. D. Newell's office yesterday afternoon to determine the fate of the twenty or more aspirants who were anxious to feed out of the city trough for the next twelve months.

As foretold in these columns several days ago, predicting that the caucus to be held by the new Councilmen in making a choice for city officers would be a hot tamale, was more than verified by the proceedings of yesterday.

In making a choice for City Attorney, the first on the list, everything was lovely and the goose honked high.

Everybody was in accord, and T. M. Wood, the present incumbent, was chosen without a dissenting voice.

It was in the choice of a City Physician where the ship of state struck a rock and went down in turbulent waters.

The contestants for the distinguished honor and usufruct thereof were Dr. W. S. Yaseli and Dr. S. R. Harover.

A vote being taken, each gentleman received an equal divide—6 and 6—a tie.

A resolution was then adopted by 7 ayes to 5 nays, giving the Mayor the deciding vote.

One member declared, unless the resolution was adopted, he would leave the hall and not abide the action of the caucus, whatever it might be.

On the other hand two other members declared if the resolution passed they would take their departure and wipe their hands of the whole affair.

The resolution having passed, the two members from the West End were as good as their words and left the room.

After the Mayor had cast the vote electing Yaseli, the caucus nominees for Policemen were chosen as follows:

Thomas Sonteny from the First Ward.
P. Ryan from the Fourth Ward.
W. A. Tolle from the Fifth Ward.
John Bradford from the Sixth Ward.

The proceedings were to be of a Star Chamber order—nothing was to be divulged until they developed at Council meeting Monday night, but THE LEDGER is giving you inside facts a little in advance of the two-ring show billed for the Council Chamber Monday night.

What caused the rupture was allowing the Mayor to participate and decide the matter.

There is crimination and recrimination, and when the matter comes up again Monday night there will be some talking, you bet.

The next meeting of Council promises to be a lively and interesting one.

Front seats reserved for ladies.

RESEMBLES A GREAT ORCHESTRA.

Director Weil is said to have planned the instrumentation of Weil's Band so skillfully that its consonance has close alliance to that of a full orchestra. This effect is brought about through a thorough knowledge and reads, woodwinds and soft brasses. The usual turbulence and blare of loud brasses is thus minimized, if not altogether overcome. Weil's Band will be heard in this city this afternoon at 2:15 and tonight at 8:30. Seats now selling.

This Underwear Saves Money

The actual amount of money you spend less than you anticipated isn't all there is to an Underwear bargain. There are cases when two suits of Underwear at 50c are not nearly so good a purchase as one suit at \$1. It all depends on the wearing qualities of the Underwear. This Underwear for instance we didn't buy merely to sell at these prices, but primarily to give good service at these prices. The money you save, stays saved.

FOR WOMEN—Union Suits from 50c to \$1½. Wrapper and Oneita style at every price except 50c which comes only in Oneita. Ribbed two-piece Suits 25c, 50c, 75c each. A REQUEST will be made of the coming Legislature for a monument to Kentucky soldiers who fell at Vicksburg. And yet the headless statue of HENRY CLAY crowns his monument at Lexington.

PRESIDENT DAVID STARR of Stanford University says of football—

"A dirty player should be permanently ruled off the field and College authorities should make a gentleman's agreement that each man using the college game is a bona fide student and an amateur.

"The game with all its faults has enormous usefulness and should not be given up without a resolute effort to clear it from parasites and abuses. For all these, in the last analysis, indifference of College authorities is responsible."

And who is responsible for the brutal hazings, and for the tying of students to railway tracks to be run over and killed by trains while awaiting initiation into College Fraternities?

It is officially announced from Frankfort that the Amendment to the Constitution for a return to the viva voce system of voting was defeated by 38,871 votes; but, then, it was officially announced from Frankfort that WILLIAM S. TAYLOR was fairly and honestly elected Governor over GOEBEL.

If I should ever be so unfortunate as to die, I hereby serve notice that there will be trouble for the damphool who grinds out a lot of obituary poetry in honor of the event, as well as for that other cheerful idiot who prints a "Card of Thanks" to the neighbors for their kindness in wishing me a pleasant trip, and to the undertaker who got the job.

UNDER the caption, "Time for Him to Quit," The Louisville Herald says—

"The Hon. JAMES E. CANTRILL was more than a year ago elected to the Court of Appeals. He has since drawn salary with an edifying religious regularity for a position whose duties he has been, ever since his election, unable to fulfill. He was, in fact, so it is commonly said, unequal to the task before his election in November, 1904.

"Announcements have been from time to time made in the last several months that Judge CANTRILL was recovering, and that he would soon be able to discharge judicial duty. Dates were, indeed, named when the disabled man would be once again ready for business. But the dates so far fixed come and glide into the shades of the past, with never a Judge CANTRILL on the Appellate Bench.

"There is a strong feeling throughout the state, especially in his own District, that Judge CANTRILL is permanently incapacitated, both mentally and physically. The conviction is deep that he will never again sit on the Bench. That in itself will be no loss to justice. But it is a loss to Kentucky not to have a full Bench of Appellate Judges, all capable mentally and physically of discharging the high functions of their office. Kentucky is not, besides, so rich as to be able to pay for what she does not get. Judge CANTRILL ought to get down and out."

Spices

THAT SPICE

Although adulterated spices should never be used for any purpose, there is no time when pure spices are needed more than during the hog-killing season.

You can be sure of Pure Spices of the best quality if you purchase them here, for in spice purchasing we trust nobody, but test everything in the spice line the same as we do our drugs. If you could see what a lot we have to reject you would appreciate being able to so easily procure the pure kind.

At the present time we can furnish you with some of the freshest and best Sage, Black Pepper, Cayenne Pepper, etc., that was ever raised, and they'll cost you no more than old, flavorless, adulterated kinds which are frequently sold.

Lad Who Took Care of His Drunken Guard and Reported For Life of Prison Duty Has Good Stuff in Him

LEXINGTON LEADER.

The announcement that Governor Beckham was considering a pardon for Frank Stepp, the fifteen-year-old Harlan county lad, or a probable commutation of his sentence to the Reform School, instead of the Penitentiary, has been received in Lexington with almost universal approbation by those who came in contact with the boy and his drunken guard while here waiting for the train to convey them to Frankfort. Deputy Sheriff Thomas Ward of Harlan county had the boy in charge. They arrived here early Tuesday morning. Ward was evidently under the influence of liquor when he arrived here. Proceeding to the Criterion Cafe, Ward ordered an oyster stew which he could not eat and fell asleep, with his head on the counter. The lad, who was being taken by Ward to the Penitentiary for twenty-one years for killing his cousin, stood by bewildered, not knowing what to do. Had he desired he could have made his escape, for the custodian was not able to look after him. Suddenly Ward slipped from his seat and fell to the floor. A large pistol fell out of his pocket at the same time. The boy prisoner ran to the prostrate officer, helped him to his feet, replaced the officer's pistol in his pocket, took him by the arm and led him to the street, where he walked him about in an effort

to get him sober before the train left for Frankfort.

It was now a case of a prisoner guarding his guard. Although he knew that the doors of the Penitentiary were soon to swing open to receive him, the boy made no effort to get away, but showed the greatest solicitude for the welfare of his custodian.

When in front of the Courthouse, in Main street, Ward was unable to proceed further. He sat down on the curbstone with his head in his hands. A gust of wind carried the lad's hat across the street, but not wishing to leave Ward alone, the lad asked what he should do. "Go and get it," was the drowsy reply, and for a few minutes the boy indulged in a chase for his headgear. Sheriff Ward took no thought of his prisoner. The lad had all the freedom he wanted, but recovering his hat, he returned to the side of his keeper and stood guard over him until he got him to the train bound for Frankfort.

It is the consensus of opinion that a boy possessing such remarkable traits of character and such apparently perfect innocence could not be morally guilty of any great crime, however technically he might be deemed so. Many Lexington people would like to see him get a pardon or a commutation of his penalty.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Your scribe is much interested in the success of any combine the farmers might organize for their general benefit. Don't know just on what basis the Continental Tobacco Company is organized, but presume it's on a money basis, and your scribe would like to know why the Farmers Association don't organize on the same basis. If the farmers of this country cannot find as many minded friends as the Continental Tobacco Company or any other combine they should be satisfied with what price they can get and ask no questions why they don't get more.

GONE FOR GOOD.

No Reason For Any Mayville Sufferer To Fear The Return Of It.

How often the pain returns to the aching back when you think you are well rid of it. No fear of such a return after using Doan's Kidney Pills. They make bad backs well and weak backs strong and keep them so. The testimony of Mayville people proves this claim a fact. You can readily verify such fact by the following:

John Wallingford, living at the corner of Commerce and East Second streets, Mayville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
